Edward R. Durr, Jr. (R-Logan)
“Ed the Trucker”
Former Senator, NJ LD3

I strive to return New Jersey to the State it was when I was a child. A place where you can thrive, instead of simply survive!

A place that people can enjoy, raise a family and receive a proper education, all while feeling safe in their homes and communities. A place where you can find a job, make a living, and thrive instead of simply survive! A place where you can purchase a home without the fear of losing it to high taxes. I aim to bring pride back to New Jersey. It is time for a change! With your help, and gracious donations, we can make that change happen. All support is greatly appreciated. Thank YOU! God Bless the great State of New Jersey, and God Bless the United States of America!
