

Arrest Pasquale Bonavota: it was in the list of Italian fugitives of maximum danger

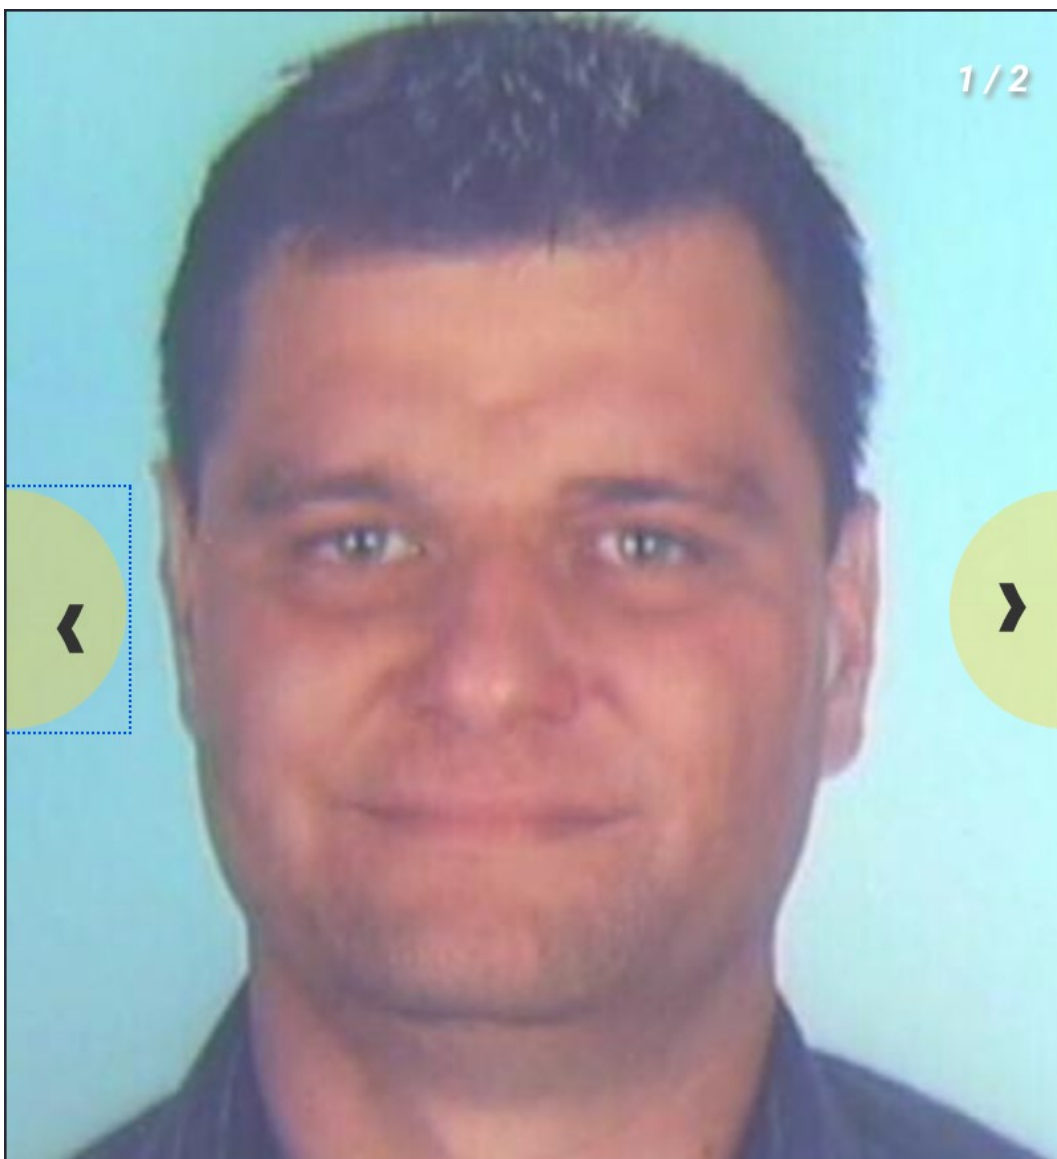

16 JANUARY 2023

In Italy, the **list of fugitives of maximum hazard** is a list drawn up by the *Integrated Interforce Group for the search for the most dangerous fugitives* (GIIRL) of the Central Directorate of the Criminal Police within the *Special Research Program* and includes criminals considered extremely dangerous.

Gazzetta del Sudonline

MINISTRY OF THE INTERIOR - IS aimed at stimulating the spirit of collaboration of the community with the Police Forces in the field of the search for dangerous criminals".

SEIDL, Stanislav

Each of them is provided, in addition to a mugshot and generality (name, surname, date and place of birth), also a generic indication of the crimes for which they are wanted, with the year from which the research began. **The list, updated from July 1992, has stably included 30 fugitive until 2009: in fact, when a fugitive was captured and, therefore, removed from the list was automatically replaced with another criminal still wanted, which came from a "dictary" list of 100 names.**
