UPDATED: Police report that Erin Norman (#1) and Eugene Lane (#6) have been captured.

Surrey RCMP has released its list of most wanted offenders this Christmas.

The 'Top 10 Most Wanted' list is made up of people from the Priority Target Offender (PTO) program who are currently active in the community and have outstanding warrants for a number of offences.

Targeting those who commit the majority of crimes in our community has a direct correlation to the greatest reductions in property and even violent crime, police say.

“Our holiday wish is for every one of these individuals to either turn themselves in on their outstanding warrants or have the public assist us

with information that leads to their arrests,” said Surrey RCMP Corporal Scotty Schumann in a release. “Let’s ensure these offenders are behind bars as soon as possible so that we can all have a safe and happy holiday season.”

The list includes a pair of twin brothers, both men and women ages 19 to 40 years old, and a reduced list of the charges each offender faces.

If you see any of these individuals, police warn not to approach them and instead contact the Surrey RCMP or Crime Stoppers as soon as possible.
